## 2009 HOT

### LIST

It's not even begun yet but 2009 is already shaping up to be one very fun-packed year. Here's what we think we'll be wearing, watching, reading and bopping along to...

#### FEELING REVIBED YET?

**THE REVIBER** looks set to steal Power Plate's thunder in 2009 as the exercise machine du jour. Great for toning and increasing the circulation in the cellulite-prone, it releases the exercise endorphins so you get that euphoric buzzy feeling after using it. And at £169.99 (from [cultbeauty.co.uk](http://cultbeauty.co.uk)) it's far cheaper than a Power Plate or gym membership

And two performances by American actresses to look out for: **Gillian Anderson** in Ibsen's *A Doll's House* at the Donmar Warehouse and **Mary Elizabeth Mastrantonio** in Arthur Miller's *A View from the Bridge* at the Duke of York's
